## **Titan Mining Announces C\$8M Private Placement**

**Vancouver, B.C., September 9, 2020** – Titan Mining Corporation (TSX:TI) (“Titan” or the “Company”) announces a non-brokered private placement financing raising gross proceeds of C\$8 million (the “Private Placement”).

Pursuant to the Private Placement, Titan will issue 16,000,000 units of the Company at a price of C\$0.50 per unit, with each unit consisting of one common share and one-half of a common share purchase warrant. Each warrant entitles the holder to acquire one common share at a price of C\$0.75 for a period of three years from the closing date of the Private Placement.

The proceeds from the Private Placement will be used to advance exploration efforts at the Company’s properties, including a comprehensive drill campaign at the Company’s newly optioned Mineral Ridge Property located in Esmeralda County, Nevada (see press release dated August 31, 2020), conducting district exploration on lands around the Empire State Mine (“ESM”) in New York and for general and working capital purposes.

The private placement has been subscribed to by directors and officers of the Company including Richard Warke, Executive Chairman, and other supportive shareholders.

Titan CEO, Don Taylor, commented, “The raise is timely and proportional. It will allow Titan to rapidly advance the Mineral Ridge property in Nevada as well as support continued exploration on the highly prospective ground around our existing ESM mine in New York.”
